REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Attached is a copy of the official filing receipt received from the PTO in the above application for which issuance of a corrected filing receipt is respectfully requested.

There is an error with respect to the following data which is:

- ☒ incorrectly entered
☐ omitted

The requested correction occurred through office error. Therefore, no fee should be required. However, charge any fee due to Deposit account 50-0573.

**CERTIFICATE OF MAILING
UNDER 37 C.F.R. 1.8(a)**

I hereby certify that this paper, along with any paper referred to as being attached or enclosed, is being deposited with the United States Postal Service on the date indicated below, with sufficient postage, as first class mail, in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

BY

DATE:

James M. McInelly
January 21, 2004

ERROR IN		CORRECT DATA
1.	<input type="checkbox"/> Applicant's name	1.
2.	<input type="checkbox"/> Applicant's address	2.
3.	<input type="checkbox"/> Title	3.
4.	<input checked="" type="checkbox"/> Filing Date	4. Change "06/23/2003" to "06/20/2003"
5.	<input type="checkbox"/> Serial Number	5.
6.	<input type="checkbox"/> Foreign/PCT Application Reference	6.
7.	<input type="checkbox"/> Other Priority Information	7.

In support of the request for corrected filing receipt, Applicant has enclosed copies of the following:

1. Official Filing Receipt;
2. Patent Application Transmittal Letter;
3. Express Mail Label, as submitted to the US Postal Service;
4. Return Postcard, as submitted to the US Postal Service;
5. "Delivery Information" from US Postal Service regarding Express Mail Item Number EV336798280US.

The above-identified application was filed in the U.S. Patent Office using the "Express Mail Post Office to Addressee" service of the United States Postal Service. The application was deposited with the U.S. Postal Service in Philadelphia, Pennsylvania as Express Mail Item No. EV336798280US on Friday, June 20, 2003. Accordingly, the application should have received a filing date of June 20, 2003. The official filing receipt, however, incorrectly identifies the filing date as the following Monday, June 23, 2003.

The attached "Patent Application Transmittal Letter" enclosed with the application includes a Certificate of Mailing certifying that Express Mail Mailing Label EV336798280US was deposited with the U.S. Postal Service on Friday, June 20, 2003. A return

postcard, submitted with the application, also identified that the papers attached thereto were mailed on June 20, 2003.

The records of the US Postal Service, as evidenced on the enclosed "delivery information", indicates that Express Mail Item Number EV336798280US, which was deposited with the U.S. Postal Service in Philadelphia, PA on Friday, June 20, 2003, was delivered in Arlington, Virginia at 08:45AM on Monday, June 23, 2003.

The official filing receipt for the above-identified application incorrectly identifies the filing date as the date of receipt in Arlington, Virginia rather than the date of deposit with the US Postal Service in Philadelphia, PA as required by 37 CFR 1.10. Accordingly, applicants respectfully request that the records of the Patent Office for the above-identified application be corrected to identify a filing date of June 20, 2003 and that a corrected filing receipt be issued.

Respectfully submitted,

CARLY WHITE *et al.*

FILING RECEIPT

OC000000010797659

Date Mailed: 09/02/2003

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Early Publication Request: No

** SMALL ENTITY **

Title

Vent brush having flexible bristle support

Preliminary Class
132

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
